Well I can't deny it  
Don't wanna let go  
Just wanna ride  
High on ya love so  
I got all the vibes that I need  
Fills me up from my head to my feet  
Well I can't describe it  
So I put on a show  
And then I act a little crazy when I'm feeling ya flow  
Like dynamite you're a real go getter  
I'm hypnotised, couldn't get much better

Bouncing on the town here we go  
Bouncing up and down on a roll  
Turn on the lights  
See my delights  
Baby look at me here I go

*[Chorus]*

I feel like jumping in the river  
Taking all my clothes off  
Swim butt naked  
Till I get arrested  
I'll do most anything for you  
Cause I like your dirty attitude

Dancing on hot coals  
Juggling with chainsaws  
Sleeping on a nail bed  
All this and more  
I'll do most anything for you  
Yes anything for you

Well now I'm in trouble  
Caught by the cops  
For the love that I showed you out on the rocks  
But that don't mean a thing to me  
Cos when you're near me I'm feeling free  
So give me the smile  
That makes me go wild  
Give me the look that got me so hooked

So tie me down before I explode  
You're the best of all the feathers I ever did know

Bouncing on the town here we go  
Bouncing up and down on a roll  
Turn on the lights  
See my delights  
Baby look at me here I go

*[Chorus]*
