got a good reason,
taking the easy way out,
got a good reason,
taking the easy way out,

CHORUS

she was a day tripper,
one way ticket yeah,
it took so long,
to find out,
but i found out.

shes a big teaser,
she took me half the way down,
shes a big teaser,
she took me half the way down,

CHORUS

i try to please her,
she only played one that stands,
tried to please her,
she only played one that stands,

CHORUS

day tripper,
day tripper, yeah,
day tripper,
day tripper, yeah
