Male:

I took the time to say nothing to her,  
She took the time to say nothing to me  
And in the time I said nothing to her  
She saysÂ...Nothing.

Love and pain, ying and yang,  
Still the sameÂ...Nothing.

Female:

So manches mal wenn er mit mich spricht  
Schau ich ihm an und verstehe nichts.  
Ich sehe das sich seine Lippen bewegen  
Und Ich denkeÂ...Gar nichts.

Ein bi? chen dies ein bi? chen das  
Ein bi? chen irgendwas  
Und sonstÂ...Gar nichts.

Male:

I took the time to look over at her  
She took the time to look over at me  
And in the time I looked over at her  
She saidÂ...Nothing.

Death or birth, peace on earth  
What's it worth? Â...Nothing.

Female:

Es ist so schon an ihm zu denken  
Und ihm dabei mein Zeit zu schenken  
Und wahrend ich noch an ihm denke  
Sagt erÂ...Gar nichts.

Mal ganz nah mal mich mehr da  
Mal wunderbar und malÂ... Gar nichts.

Male:

I took the time to say what do you think  
She took the time to say nothing you think  
And in the time I said I buy you a drink  
She saidÂ...Nothing.

Just killing time, it's so fine  
With summerwine she saidÂ...  
Nothing, nothing, nothing, nothing, nothing, nothing
