Strawberries cherries and an angel's kiss in spring  
My summer wine is really made from all these things

I walked in town on silver spurs that jingled to  
A song that I had only sang to just a few  
She saw my silver spurs and said let's pass some time  
And I will give to you summer wine oh summer wine

Strawberries cherries and an angel's kiss in spring  
My summer wine is really made from all these things  
Take off your silver spurs and and help me pass the  
time  
And I will give to you summer wine oh summer wine

My eyes grew heavy and my lips they could not speak  
I tried to get up but I couldn't find my feet  
She reassured me with an unfamiliar line  
And then she gave to me more summer wine oh  
summer wine

Strawberries cherries and an angel's kiss in spring  
My summer wine is really made from all these things  
Take off your silver spurs and and help me pass the  
time  
And I will give to you summer wine mhm summer wine

When I woke up the sun was shinin' in my eyes  
My silver spurs were gone my head felt twice its size  
She took my silver spurs a dollar and a dime  
And left me craving for more summer wine oh summer  
wine

Strawberries cherries and an angel's kiss in spring  
My summer wine is really made from all these things  
Take off your silver spurs and and help me pass the  
time  
And I will give to you my summer wine oh summer wine
