(Here's a little song bout boots and a darlin' named Nancy)

You keep a sayin' you got something for me something
you call love but confess

You've been a messin' where you shouldn't been a
messin' (that's right)

And now someone else is a gettin' all your best

These boots are made for walkin' and that's just what
they'll do

One of these days these boots are gonna walk all over
you

[bass]

You keep lyin' when you oughta be truthen

And you keep losin' when you ought enough bad

You keep a samin' when you oughta be changin'

Now what's right is right and you ain't been right yet
(listen to me)

These boots are made for walkin'...

[horns]

You keep a playin' where you shouldn't be playin'

And you keep thinkin' that you'll never get burned

Well I've just found me a brand new box of matches

And what he knows you ain't that time to learn

These boots are made for walkin'...
