[Stephanie & All]

You can dance, you can jive,
Having the time of your life
See that girl, watch that scene,
Dig in the Dancing Queen

[Dana]

Friday night and the lights are low
Looking out for the place to go
Where they play the right music,
Getting in the swing
You come into look for a King

[Lina]

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance...

[Sunday]

You are the Dancing Queen,
Young and sweet, only seventeen
Dancing Queen, feel the beat from the tambourine

[Stephanie & All]

You can dance, you can jive,
Having the time of your life
See that girl, watch that scene,
Dig in the Dancing Queen
