I'm gonna make a change for once in my life
it's gonna feel real good
gonna make a difference
gonna make it right

As I turn up the collar on my favourite winter coat
this wind is blowing my mind
I see the kids in the street without enough to eat

Who am I to be blind
pretending not to see their needs

A summer's disregard
a broken bottle top and a one man's soul

They follow each other on the wind
ya?know
?cause they got nowhere to go

That's why I know want ya? to know:

I'm starting with the man in the mirror
I'm asking him to change his ways

An no message could have been any clearer:
If you wanna make the world a better place
take a look at yourself and then make the change

I've been a victim of a selfish kind of love
it's time that I realize
that there are some with no home
not a nickel to loan
could it be really me pretending that they're not alone

A willow deeply scarred
Somebody's broken heart and a washed-out dream

They follow the pattern of the wind
ya?see

?Cause they got no place to be
That's why I'm starting with me

I?m starting with the man in the mirror
I?m asking him to change his ways

An no message could have been any clearer:
If you wanna make the world a better place
take a look at yourself and then make the change

I?m starting with the man in the mirror
I?m asking him to change his ways

An no message could have been any clearer:
If you wanna make the world a better place
take a look at yourself and then make the change

I?m starting with the man in the mirror
I?m asking him to change his ways

An no message could have been any clearer:
If you wanna make the world a better place
take a look at yourself and then make the change

You gotta get it right while you got time
?cause when you close your heart
then you close your, your mind

That man / That man / -With that man in the mirror
That man / That man
That man / That man / - I?m asking him to change his
ways
Better change / That man / Ya? know / That man

No message could have been any clearer:
If you wanna make the world a better place
take a look at yourself and then make the change

gonna feel real good
Yeah!
I?m gonna make a change
i t?s gonna feel real good
come on!
change
just lift yourself

You know you?ve got to stop it
yourself
make the change
I?ve got to make the change today
man in the mirror
