All my life I've been searchin' for what I feel inside
Your love is a mystery, seek and we will find
I know there's an answer, so show me a clue
Each step on my journey brings me closer to you

Cause you mystify, with each word
And I can't hide, the way I'm feelin'
Purified, my soul is free
Cause your love's divine
You mystify me

Lookin' back I remember, feelin' so alone
The darkest of moments but never on my own
When all I was seeing, one pathway in the sand
You carried me over, held me in your hands

Cause you mystify, with each word
And I can't hide, the way I'm feelin'
Purified, my soul is free
Cause your love's divine
You mystify, with each word
And I can't hide, the way I'm feelin'
Purified, my soul is free
Cause your love's divine
You mystify me

Once my eyes were blind, but now I can see, ah, ah, ah
Help me find my way, you're all that I need

Cause you mystify, with each word
And I can't hide, the way I'm feelin'
Purified, my soul is free
Cause your love's divine
You mystify, with each word
And I can't hide, the way I'm feelin'
Purified, my soul is free
Cause your love's divine
You mystify me
You mystify me
You mystify me
You mystify me
You mystify me

Siento que est tan desordenado
