I'll call you  
If I need you  
My heart's on fire  
You come to me  
Come to me wild and wired  
you come to me  
Give me everything I need  
Give me a lifetime of promises  
and a world of dreams  
Speak the language of love  
like you know what it means  
You can't be wrong  
Take my heart and make it strong

You're simply the best  
Better than all the rest  
Better than anyone  
Anyone I ever met  
I'm stuck on your heart  
I hang on every word you say  
Tear us apart  
Baby, I would rather be dead

In your heart  
I see the stars  
Every night and everyday  
In your eyes  
I get lost  
I get washed away  
Just as long as I'm here in your arms  
I could be in no other place

You're simply the best  
Better than all the rest  
Better than anyone  
Anyone I ever met  
I'm stuck on your heart  
I hang on every word you say  
Tear us apart  
Baby, I would rather be dead

Each time you leave me I start losing control

You're walking away with my heart and my soul  
I could feel you even when I'm alone  
Oh baby, never go  
Simply the best  
Better than all the rest  
Better than anyone  
Anyone I ever met  
I'm stuck on your heart  
I hang on every word you say  
Tear us apart  
Baby, I would rather be dead  
Oh, you're the best
