Boys from the bush  
Been shearing sheep, we been mustering stock  
We been culling out roos, we been spraying the crops  
Weve been droving cattle up an old stock route  
Now it's Saturday night, we pile in the ute  
Were the boys from the bush and were back in town  
Well the dogs in the back and the foot goes down  
Were life members of the outback club  
Were the boys from the bush come in from the scrub  
Been out in the heat, we been loading the trucks  
Been fixing fences, we been choking on dust  
We curse the raaaaaaain we curse the drought  
Now it's Saturday night and were all in the shout  
CHORUS  
2nd line : We get high when the sun goes down  
SOLO  
We work the laaaaannnd through fire and flood  
Its in our hearts, it runs in the blood  
KEY CHANGE  
CHORUS  
2nd line : well we raise hell when the sun goes down  
CHORUS  
2nd line : we get high when the sun goes down
