Out in the back blocks, deep in the scrub,
Way off the highway is a place that we love,
Dirt!
Cause every weekend, it's what we wait here for,
Dust, rocks, mud
Slam your foot to the floor!

[Chorus:]
Dirt! I've got it all over me,
I'm covered in a good time,
If you know what I mean!
Dirt! I dig it, I dig it,
Can't help to love the way it feels
When we do it in the dirt!

A secret spot, that nobody knows,
We'll make a camp out of Brigalow.
Dirt!
Roll out the swag, on the sand,
We're getting down and dirty,
On a dirty weekend!

[Chorus:]
Dirt! I've got it all over me,
I'm covered in a good time,
If you know what I mean!
Dirt! I dig it, I dig it,
Can't help to love the way it feels
When we do it in the dirt!

We get down in it, every chance we get,
It's not too much, that we haven't done yet!

[Chorus: (x2)]
Dirt! I've got it all over me,
I'm covered in a good time,
If you know what I mean!
Dirt! I dig it, I dig it,
Can't help to love the way it feels
When we do it in the dirt!

We like to do it in the dirt
