Hat Town

Intro

I was born in a hat town
Raised on the warago
It's hot out here but you tuff it out
Like and old Brigalow

From the back of the channelled country
Across the western plains
The roads are straight and dusty
And the folks are much the same

Chorus:

Roots run strong and deep out here in a hat town
And will carry on down through the years in a hat town
Well fight the dark and end up, like the barky downs
Theres a pub an store and not much more, you're living
in an old hat town

Stock are Rollin in the heat hays, half mile 60 zone
Just a rag tag bunch of buildings made of wood and
tinstone
Theres a swag with stories, most of them are true
Have the locals' pass the hat around and pull each
other through

Chorus

Instrumental

Well were outs abouts and drover's, bushies tride and
trudies
And were out her for the long haul not just blowin
through

Roots run strong and deep out here in a hat town
And will carry on down through the years in a hat town
From the back of the channelled country, and across
the dusty downs

Theres a pub a store and not much more, you're living
in an old hat town

Odelay heeeee

Livin in a hat town
Livin in an old hat town

Odelay heeeee

Livin in a hat town
Livin in an old hat town
