Well people say it's a one horse town
There's nothing much to do when the sun goes down
Singing out loud at the Royal Hotel
You get a beer get a feed get a fight as well
You ever need to find me write me a letter
Drop it in the mailbox and tell them to deliver it to
Texas QLD 4385
And it's home sweet home
Out on the border line
Well this is not the USA
We do things our own way
At Texas QLD 4385
Well Amy lives out on the Nebo road
She took a trip to Warwick to the rodeo
Well the boys up there could see she was hot
Buzzing like bees round the honey pot
They tried to crack her code
Tried to get her number
She took out a pen and she scratched down something
about
Texas QLD 4385
And it's home sweet home
Out on the border line
Well this is not the USA
We do things our own way
At Texas QLD 4385
And all the fellas say hey-ya hey-ya
And all the girls say hey-ya hey-ya
Everybody says hey-ya hey-ya
And said hey (hey) ho (ho)
Texas QLD 4385
And it's home sweet home
Out on the border line
I'm not talking about the USA
It's just a little country town off the main highway
And it's Texas QLD 4385
Texas
