Everything has a season, everything has its time
Show me a reason and I'll show you a rhyme
Cat's been on the window sill, children fit in snow
Why do I feel I don't fit in anywhere I go

Rivers belong where they can ramble
And eagles belong where they can fly
I've got to be where my spirit can run free
Gotta find my corner of the sky

Every man has his day dream, every man has his goal
People like the way dreams have of sticking to the soul
Thunder clouds have their lightning, nightingales have
their song
Don't you see I want my life to be something more than
long

Rivers belong where they can ramble
And eagles belong where they can fly
I've got to be where my spirit can run free
Gotta find my corner of the sky

So many men are destined to settle for something
small
But I won't rest until I know I've had it all
So don't ask where I'm going just listen when I'm gone
And far away you'll hear me singing softly to the dawn

Rivers belong where they can ramble
And eagles belong where they can fly
I've got to be where my spirit can run free
Gotta find my corner of the sky
