We're gonna make you a star...
We're gonna make you a star...
Oh is he more,
Too much more than a pretty face?
It's so strange the way he talk - it's a disgrace.

Well I know I've been out of style
For a short while,
But I don't care how cold you are.
I'm coming home soon.

I'm gonna make you a star.
Yeah!

Well he says he's into his music,
But I don't believe it.
He just doesn't seem to understand the rock media.

Well I know I'm not super hip,
And I'm liable to take a slip,
But I don't care how cold you are.
I'm coming home soon.

I'm gonna make you a star.
Yeah!
We gonna make you a sta-a-a-ar.

We gonna make you a star.

Oh is he more,
Too much more than a pretty face?
It's so strange the way he's talkin' - it's a disgrace.

Well I know I've been out of style
For a short while.
But I don't care how cold you are,
I'm coming home soon.

I'm gonna make you a star.
Yeah!
We gonna make you a sta-a-a-ar.
we gonna make you a star.

We gonna make you a star (we gonna make you a star,
yeah)

We gonna make you a star (we gonna make you a star)

We gonna make you a star (we gonna make you a star,
yeah)

We gonna make you a star (we gonna make you a star)
