Time to say goodbye

Trying to find a reason to forgive you  
And I can't no matter how I try  
'Cause you know I made up my mind  
I got to let you go this time  
I can't like it what's before  
Even if you turn around and asking reasons why  
You know the way it's going to end  
And baby, so do I

I do it every time and I regret it  
I don't know why I tried  
You always let me down and I forget it  
And let you back into my life  
I guess you always were, you'll always be, the devil in  
disguise  
But I do it every time and regret it  
So it's time to say goodbye  
Goodbye

The same old words the same excuses  
I've heard them all, a thousand times  
You don't know it's breaking my heart  
Its tearing me apart  
Let me down one too many times  
This is where I draw the line  
The moment I've decided  
This is how it's got to be  
And here's your reason why

I do it every time and I regret it  
I don't know why I try  
You always let me down and I forget it  
And let you back into my life  
I guess you always were, you'll always be, the devil in  
disguise  
But I do it every time and regret it  
So it's time to say goodbye

Heaven help me if I let you in  
You'll only break my heart again

I can't tell you if I'm wrong or right  
But I do want you back in my life

I do it every time and I regret it  
I don't know why I try  
You always let me down and I forget it  
And let you back into my life  
I guess you always were, you'll always be, the devil in  
disguise  
But I do it every time and regret it  
So it's time to say goodbye  
Goodbye.
