Yesterday came so fast
But it didn't matter
Love had passed
I don't know
What to do
I want that girl
Away from you

CHORUS:
Heighty-hi
Hey-de-hey
The whole darn world
Is feeling that way
Hey-de-hey
Heighty-hi
Everybody's stoned
So am I

Down the road
The other way
That's the way to go
The people say
They don't know
Where I've been
Felt so good
I'm going again

CHORUS

It got stopped
It's in the slip
I get to the point
Then I split
When your group
Has come and gone
Just sit back
You'd better sing this song

CHORUS

In a dark closet

Is the place to trip
Get you so stoned
You think you're gonna flip
Don't be afraid
If you're all alone
That's how you started
That's how you're gonna go

CHORUS
