

Cheri Dennis "Flow Wit Me"

Visit "[Flow Wit Me](#)" on MotoLyrics.com

I like what I see
Don't want come on too strong
The way that you move
You know you got it going on
Tonight could be your open invitation
So come ride with me
I'll take you where you ain't been

It's the way you're looking
It's somethin that I'm feeling
Do you wanna flow with me
It's the way you're smelling
And the shit you're wearing
Makes me wanna let you in
It's the way you're looking
It's somethin that I'm feeling
Do you wanna flow with me
It's the way you're smelling
And the shit you're wearing
Makes me wanna let you in

Baby tell me
What's it really gonna be
Can you see what I see
When you put in on me
But sometimes complain
You know it's right for you babe
If you chose
You won't lose
See I can't let you get away

It's the way you're looking
It's somethin that I'm feeling
Do you wanna flow with me
It's the way you're smelling
And the shit you're wearing
Makes me wanna let you in
It's the way you're looking
It's somethin that I'm feeling
Do you wanna flow with me
It's the way you're smelling
And the shit you're wearing

Makes me wanna let you in

Fall back

I'm about to go to far

Can't deny how fly you are

I need you like I need a fix

Want you all off in my mis?

Come on baby this is it

It's so good I just can't quit

Giving you what you won't forget

I know I can make you say yeah

It's the way you're looking

It's somethin that I'm feeling

Do you wanna flow with me

It's the way you're smelling

And the shit you're wearing

Makes me wanna let you in

Makes me wanna let you in

Makes me wanna let you in
