Ooh la la la la la
My skin is gettin wet my clothes is comin off
Ooh la la la la la
Too many on the floor the club is gettin hot
Ooh la la la la la
My skin is gettin wet my clothes is comin off
Ooh la la la la la
Too many on the floor the club is gettin hot

He was a step but im not impressed but
I took his hand and i lead him to the dance floor
Now were movin were really movin
Im feelin him and its kinda confussin

I didnt want this boy to dance
Its the way he held my body turned me on
I didnt come to find romance
And even if i did there was no way ill b alone

Ooh la la la la la
My skin is gettin wet my clothes is comin off
Ooh la la la la la
Too many on the floor the club is gettin hot
Ooh la la la la la
My skin is gettin wet my clothes is comin off
Ooh la la la la la
Too many on the floor the club is gettin hot

The club is jumpin
Beat is bumpin
Were gettin close n im tryna do sumthin

But we cant even talk what am i to doooo

Ooh la la la la la
My skin is gettin wet my clothes is comin off

Ooh la la la la
Too many on the floor the club is gettin hot
Ooh la la la la la
My skin is gettin wet my clothes is comin off
Ooh la la la la la
Too many on the floor the club is gettin hot

Its gettin hot tonight
Bodies swingin left to right
Were movin and the feel is rite
Dancin till the early light
(so come on and hold me close)
Wanna b alone with u
Boy thats what i wanna do
Think im comin home with u
(but i cant do that oh my my ooh la laaa)

Ooh la la la la la
My skin is gettin wet my clothes is comin off
Ooh la la la la la
Too many on the floor the club is gettin hot
Ooh la la la la la
My skin is gettin wet my clothes is comin off
Ooh la la la la la
Too many on the floor the club is gettin hot
