It's kind of crazy how the way you got me buggin,
Baby I ain't never had nothin, nothin like this,
The way you treat me, it's like some special kind of
lovin
It's all just a little too good, too good to be true
And I wonder is it okay to trust ya, cause baby I come
from a different place,
Because if pain means I love ya (?)
And I was thinking maybe I should run but,
I can't even front, cause boy you got me like ooh

(CHORUS)

Ooh ooh ooh ooh ooooooh
You love is damn good I
Don' t know what to do
Sometimes I be thinking
This just can't be true
Baby I'm just waiting
To see what you gonna do
If you break my heart and have me cryin, ooh

Baby now wait a minute, I just got in from workin
And you're already here waiting, waiting on me
Greeting me at the door, with hugs and kisses
And I know I smell something, something cooking in
the kitchen
Baby what is this, I know this ain't for nothin
Baby you done did something, or maybe I'm just
tripping
And I keep on trying to run from you but then I can't get
enough of you
Boy you got me like oohhhh

(CHORUS)

We don't even fight
Or are you blind
I was used to before, I met you
Boy you turned on to something new,
All I'm askin is you do me right

Ooh ooh ooh ooh ooooooh
You love is damn good I
Don' t know what to do
Sometimes I be thinking
This just can't be true
Baby I'm just waiting
To see what you gonna do
Ooh ooh ooh ooh ooooooh
You love is damn good I
Don' t know what to do
Sometimes I be thinking
This just can't be true
Baby I'm just waiting
To see what you gonna do
If you break my heart and have me crying ooooh
