Written By Lee Roy Parnell And Tony Arata

Angry Words Just Like A Whip Across My Back  
I Remember Just How It Felt  
Made A Promise Right Then  
And There To Never  
Do That To No One Else  
I'm Breaking The Chain  
No More Taking All The Hurt And  
All The Wrong Turning Right Around And Passing It On  
Spreading The Shame  
I'm Breaking The Chain  
Tried Passing The Blame For The Shape This Old  
World's  
In 'bout As Long As I Can Maybe It's Time I Quit Pointin'  
My Finger And Try Lending A Hand  
I'm Breaking The Chain Maybe That's Where The End  
Of  
The Sorrow Starts Little By Little Doing Our Part  
Making A Change I'm Breaking The Chain  
I'm Breaking The Chain Maybe That's Where The End  
Of  
The Sorrow Starts Little By Little Doing Our Part  
Making A Change I'm Breaking The Chain No More  
Taking All The Hurt And All The Wrong Turning Right  
Around And Passing It On Spreading The Shame  
I'm Breaking The Chain
