Here you come knockin' on my door  
When you said you don't need me anymore  
Do you really think I'm crazy enough  
To go throwin' my good heart after bad love

Chorus:

What kind of fool do you think I am  
I ain't fallin' for you all over again  
I ain't playin' a game that I know I can't win  
What kind of fool do you think I am

I was lost in your love and I got burned  
You hurt me one time, I finally learned  
So now that I know what your lovin' can do  
Who do you think you're talkin' to

CHORUS

Falling in love with you; just brought me sorrow  
You'll leave me smilin' tonight, but cryin' tomorrow

So don't you come knockin' on my door  
'Cause you know I don't need you anymore  
Now do you really think I'm crazy enough  
To go throwin' my good heart after bad love

CHORUS X2

What kind of fool do you think I am .
