One million crystals on the outside of my window  
One single thought, a thought of missing you  
But only one word from within me  
Describes the thought without of you  
Ice feathers on my window  
Reveal a single thought  
A painting of your eyes is a sign that you do know  
One million crystals not enough to page your beauty  
Beauty of your soul  
300 days I counted  
Almost a year, a mere of missing you  
Ice feathers on my window  
Reveal a single thought  
A painting of your eyes is a sign that you do know  
Once again waters change  
Winter spell comes to life again  
Ice feathers on my window  
Reveal a single thought  
A painting of your eyes is a sign that you do know  
Ice crystals on my window  
Hide frozen life inside

Ice storm outside these walls

But I feel my heart is warm
