Save me from myself  
I wanna love somebody else  
Someone like you  
Makes me smile  
The whole now through +

I'm hungry for some answers  
I'm hunting for the truth  
You are one I'm looking for  
Please show me the way  
Please show me the way

I'll do anything  
To be close to you  
And I'll be anyone  
That you want

If you let me know  
Where you run to  
Where you go  
All around the world  
I will follow

'Coz I'm looking for the real thing  
I'm haunted by the truth  
You can do anything you want  
I wanna be  
I wanna be with you

I'll do anything  
To be close to you  
And I'll be anyone  
That you want

Save me from myself  
I want you  
One more time  
I got to show you how I feel

I'll do anything  
To be close to you  
And I'll be anyone

That you want

I'll do anything  
To be close to you  
And I'll be anyone  
That you want
