Did you make the same mistake as I  
Throw your life away for one prize  
Split your tongue into regret the lie  
You told that led you down this winding road  
Saw a picture in my dreams  
And I asked what life really means to me  
Show me how to wash away my sins  
And in that day my life begins

Raise your hands and you will fly  
Leave the darkest nights until the morning light  
Raise your hands you've got to testify  
See a new day's come, it's the time to realize

(Free)  
No more night 'cause the sun will be shining  
(Free)  
No more tears 'cause the loves intertwining  
(Free)  
No one's there so now we are binding  
(Free)  
I found you and the place you were hiding  
(Free)  
With my love when the stars are aling  
(Free)  
No one's there so now we are binding  
(Free)

Oh slowly she goes  
Leaving her life beside the road  
There I'll never know  
But is ok 'cause I let her go

Raise your hands and you will fly  
Leave the darkest nights until the morning light  
Raise your hands you've got to testify  
See a new day's come, it's the time to realize

You are freer than you believe

(Free)  
No more night 'cause the sun will be shining  
(Free)  
No more tears 'cause the loves intertwining  
(Free)  
No one's there so now we are binding  
(Free)  
I found you and the place you were hiding  
(Free)  
With my love when the stars are aling  
(Free)  
No one's there so now we are binding  
(Free)

You are freer than you believe

You are freer than you believe

(Free)  
No more night 'cause the sun will be shining  
(Free)  
No more tears 'cause the loves intertwining  
(Free)  
No one's there so now we are binding  
(Free)  
I found you and the place you were hiding  
(Free)  
With my love when the stars are aling  
(Free)  
No one's there so now we are binding
