In your eyes, I see you've been broken
and your shadow, it hides from the sun
Theres a picture with words left unspoken
Now your wondering who you are.

Do you ever think,
theres someone out there lookin' over you
Watching everthing you do
Lookin' after you.

[chorus]
Would you believe that,
I could be your guardian angel
Do you believe that this is true
If you say yes, I'll follow
I won't be able to look at anyone so true.
I love you.

Your thoughts get lost in the ocean,
and your prides as strong as the sea
Your heart is blocked by a raincloud
Only thunder and rain can be seen

Do you ever think,
theres someone out there lookin' over you
Watching everthing you do

Lookin' after you.

[chorus]
Would you believe that,
I could be your guardian angel
Do you believe that this is true
If you say yes, I'll follow
I won't be able to look at anyone so true.
I love you.

Say the words and I will be there
Hold my hand 'coz I am scared
Do you believe the world can be strange,
please take away my pain.
Yeah.

[chorus]
Would you believe that,
I could be your guardian angel
Do you believe that this is true
If you say yes, I'll follow
I won't be able to look at anyone so true.
I love you.
