You know I don't mind if you think I should grow my hair
You know I don't mind if you pick on the clothes that I
wear
But know I can keep my head when all around me are
losing theirs, because

[CHORUS:]
I am who I am
And you can't change me
I've done what I can
And I'll stand my ground
You're tying my hands
You rearrange me
It all falls down
It all falls down

Why when you dream do you see me as something I'm
not

Why don't you wake up and see all the good things
you've got
A heart isn't made out of clay
Not something you shape with your hands, understand

[CHORUS]

Is the reason you ask me to change so that you stay the
same
Well I'm sorry if I keep disappointing you again and
again, but

[CHORUS]

I am who I am
