The war on drugs is a war on me and if its not then let
me be home of the brave land
of the free Its just a plant so let freedom ring

Iâ€™m sick of these snitches droppin dimes on my block
to my small sack slangers to my indoor
crops or our cash money business or my late night
stops or anything about this old school pimp
called pops

Yeah! Shit fuck Piss
I canâ€™t stand the cops theyâ€™re always on my dick
trying to snatch my crops but theyâ€™ll never
gonna get â€™em cause givem to my pops then I fail out
of town in my matha fucking dodge

You canâ€™t catch me so please stop trying thereâ€™s no
denyin that the cops are lieâ€™en
Not me because I not you canâ€™t relate when I look you
in the face I can tell that youâ€™re a
fake. Ha! Ha! Ha!

Zero Tolerance I got zero tolerance

Just because youâ€™re a you fat wanna be stinky ass
matha fucka
Tryin to get my shit but you canâ€™t you suck get the hell
out my face?
Cause your breath stinks bad your badge is dirty you
cricked as fag

Iâ€™m here to free all the people that are livin in fear

The modern day Paul Revere, Just lend me your ear
Cause theyâ€™re comin, in fact theyâ€™re already right
here
You know how much they spent in the war on drugs
simply last year?
Eleven-Billion Dollars straight down the drain
The war on drugs has cost a lot, you shouldnâ€™t worry
about me, or my bag of pot
Not hurtinâ€™ nobody, not pollutinâ€™ the youth

Not sellin no lies, Iâ€™m only giving out truth
Try to tell me what to do, I wonâ€™t listen to you,
Iâ€™ll smoke weed till I die, out of joints, pipes, tubes

well Iâ€™m rymin and Iâ€™m stealin â– dealin time after
time â– rhyme patterns designed to enlighten
your mind â– legalize the word freedom till the plants
not a crime and when the plants not a
crime well all be livin divine zero tolerance is ignorance
weâ€™re drawin the lineâ–....

Zero Tolerance the war on drugs is a waste of time how
could a plant be a crime- you got the
bombs to kill off our kind- Arrest and seize we get
jailed Fucked-w/-Find â–free the plant

Zero Tolerance I got zero tolerance
