She smells like pink champagne
She pops into my brain
I got so drunk up on the love
That I just can't explain
She got me hypnotized
Now I'll believe I'll die
For just one kiss up on the lips
Would surely save my life
Just see I see I really love her
Her name is Peaches
She leaves me speechless
She got me dreaming of a world within my reaches
See, I'm a believer
And if you see her
Tell her I'm servant of her love forever
Her name is Peaches
She left me speechless
She got me dreaming of a world within my reaches
Just see I see I really love her
Until the day she comes
I guess I'll be alone
I'll never see the sun
Until she calls me home
See every little thing she does
Got me crying out for love
Must been sent down from above
On the wings of a crisp, crisp white dove
She plays on a roulette stage
Oh yeah what a nasty game
I don't really know her name
But peaches is a the one, I say
Just see, I see I really love her
Her name is Peaches
She leaves me speechless
She got me dreaming of a world within my reaches
See, I'm a believer
And if you see her

Tell her I'm servant of her love forever
Her name is Peaches
She left me speechless
She got me dreaming of a world within my reaches

Just see I see I really love her
Why don't you clap, come on and clap
Snappers you clap
Why don't you clap, come on and clap
Snappers you clap
Until the day she comes
I guess I'll be alone
(Guess I'll be alone)
I've never seen the sun
Until she calls me home
Her name is Peaches
She leaves me speechless
She got me dreaming of a world within my reaches
See, I'm a believer
And if you see her
Tell her I'm servant of her love forever
Her name is Peaches
She left me speechless
She got me dreaming of a world within my reaches
Just see I see I really love her
Her name is Peaches
She leaves me speechless
She got me dreaming in another world within my
reaches
(Why don't you clap)
See, I'm a believer
And if you see her
(Why don't you clap)
Tell her I'm servant of her love forever
Her name is Peaches!
