Some people find it hard to see, oh yes they do (yes they do yeah)

But every time you look at me

No doubt about it

You are me we've got

Real Love, Cant stop it now

Real Love, Cant hold it down

Real Love, if i needed to

I'd give it all up for

Real Love, dont ask for more

Real love, im living for

Real love oho

And if you feel love

Put your hands together like this ya'll

Put your hands together like this ya'll

The way that i feel about you girl

I wouldnt trade it (oh no no no no)

For all of the money in the world

cause i can feel it

You and me we got

Real Love, Cant stop it now

Real Love, Cant hold it down

Real Love, if i needed to

I'd give it all up for

Real Love, dont ask for more

Real love, im living for

Real love oho

And if you feel love

Put your hands together like this ya'll

Put your hands together like this ya'll

When i wake up in the morning

And feel you next to me

I know im blessed from above

Cause its all so clear to see

That I've got real love (baby baby baby baby baby)

yes i've got real love (baby baby baby baby baby)

Real Love, Cant stop it now
Real Love, Cant hold it down

Real Love, if i needed to
I'd give it all up for
Real Love, dont ask for more
Real love, im living for
Real love oho
And if you feel love

The love I've got for my people
The love I've got for my family
The love I've got for my music
The love I've got for you
This is real love.
real love
oohh this is real love
if you feel love
Put your hands together like this ya'll (put your hands
together)
Put your hands together like this ya'll ohowh
Put your hands together like this ya'll (baby baby baby
baby baby)
Put your hands together like this ya'll
