why, why people funny bwoy  
now that you reach the top  
an' you turn big shot  
all I have done for you  
you not remember that  
when you were down an' out  
I used to help you out  
but now that you win jackpot  
you don't remember that  
now that you turn big shot  
bwoy you 'ave big chat

you're lucky, you're lucky, you're lucky to have rice and  
peas a yard  
but me, poor me don't have none at all

I want-a, I want-a, I want-a, I want-a,  
I want-a uh i-yah yard tonight
