Run for cover now
I'm taking over
So please step aside
Because I ain't gonna sympathize
Boy I'm gonna lay it on (musically)
From dusk till dawn (musically)
With a right to the head and a left to the cheek
(musically)
Boy I'm gonna knock you down (musically)
With a right to the head and a left to the chee-eek
(musically)
I'm gonna keep the pressure on (musically)
Woy

=instrumental break=

Run for cover now
King Scratch take over
So please step aside
Because I ain't gonna sympathize
Boy I'm gonna lay it on (musically)
From dusk till dawn (musically)
With a right to the head and a left to the cheek
(musically)
I'm gonna keep the pressure on (musically)
With a right to the head and a left to the cheek
(musically)
I'm gonna keep the pressure on (musically)
Alright now, alright
Hit you now (musically)
take care of the victims now ...
