Oh yeah, alright now..

That's the way you like it, I know you're gonna feel it  
That's the way you like it, I know you're gonna feel it

So long, girl, I'm leaving  
So long, girl, I'm leaving

What you gonna do now? What you gonna do now?  
That's the way you like it, I know you're gonna feel it

I gave you everything I had  
But now you turn your back on me

I gave you everything I had  
But now you turn your back on me

That's the way you like it, I know you're gonna feel it  
That's the way you like it, I know you're gonna feel it  
That's the way you like it, I know you're gonna feel it  
That's the way you like it, I know you're gonna feel it
