Living in a cold cold world  
Sometimes it gets hard  
And you feel like  
You can't make it out

When I was just a little girl  
My momma told me  
Don't you worry  
Hold your head, and wear a smile  
Cause you gonna have this  
When you feel like things aint going your way  
Just take a moment and pray

Where would I be (I don't know)  
Where would I be (oh no no)  
Where would I be if you aint never heard a prayer from  
me (tell me what)  
What would I do (oh)  
What would I do (I don't know)  
What would I do if I didn't have you to be there for me  
(yeah.. hmm hmm)

Im so thankful for  
All the things you done  
Showing me right from wrong  
??enclining?? my soul  
When all my friends turned their back on me  
You made me see  
You're the only one I need

Where would I be (I don't know)  
Where would I be (oh no no)  
Where would I be if you aint never heard a prayer from  
me  
What would I do (oh)  
What would I do (oh no no)  
What would I do if I didn't have you to be there for me  
(and I thank you lord)

Chorus X2

Wait in the midnight hour  
I called your name  
Cause I knew you were watching over me  
And I don't know just where I would be  
If somebody never said a prayer for me

Where would I be  
Where would I be (and I thank)  
Where would I be if you aint never heard a prayer from  
me (I thank you lord)  
What would I do (where would I be without you)  
What would I do  
What would I do if I didn't have you to be there for me  
(and what would I do)

(repeating in the background)

I just wanna thank  
I just wanna thank you lord  
Oh  
For never leaving my side  
For never leaving my side  
My tragics, and all my tremblations  
You stayed beside me  
And I thank  
I thank  
I thank  
I thank

(just wanna thank you lord repeating)

Oh lord  
Somebody ought to believe  
Oh my lord has been good to me yo  
Oh my lord has been good to me  
And I'm gonna tell the world  
I'm gon sing and shout his name

(chorus starting in the background)

Whoo! oh lord  
Where would I be  
Where would I be  
I wouldn't be standing here tonight yo  
And I wouldn't be singing this song to yall

Through my tragics and tremblations  
You stayed beside me

(chorus fades out)
