Gave my best,gave my all  
Forced me against the wall  
Tired of trying to make it right and i knew it was wrong  
And all along i closed my eyes  
Things i should have known was high  
Instead i feel for your disguise  
And you saw my demise

And im still standing here  
Through my pain my sweat my tears, oh  
Still smile coz it's alright  
You did me cold but i survived

CHORUS::

I gave my best to you  
Oh didn't i  
Gave my best to said didn't i  
Give my best to you  
Said didn't i didn't i didn't didn't i didn't i  
Didn't i gave my best to said  
Didn't i give my best to you  
Said i tried and i tried and i tried

Didn't i trust you and treat you like you were my king,

Tried to help( ?) but you were on the sly  
But im still standing here  
Through my pain, my sweat my tears, oh still smile coz  
it's alright  
You did me cold but i survived

No more using me  
No more playing me  
No more betraying me  
No no no no

CHORUS::

Didn'ti  
Oh didn't i  
Gave my best to said didn't i  
Give my best to you  
For you and for you and for you  
Didn't i gave my best to oh  
Didn't i give my best to you

Said didn't i gave my best to you  
didn't i didn't i didn't i dint i ohhhh  
Didn't i didn't i put my trust in you
