Why you stressing? Why you worrying about it? Where there's a will There's a way out around it If you can't change it Just forget all about it

Just let it roll And let it go Just let it roll And let it go Let it go Just let it roll

This misery loves To keep company And Mr Hater He's [incomprehensible] unhappy And I won't let him Take my joy from me

I'll let it roll And let it go Just let it roll And let it go Let it go Just let it roll

Let it go, let it roll Let it go, let it roll Let it go, let it roll Let it go, let it roll

Why you stressing? Why you worrying about it? Where there's a will There's a way out around it If you can't change it Just forget all about it

Just let it roll And let it go

Just let it roll And let it go Let it go Just let it roll

Just let it roll And let it go Just let it roll And let it go Let it go Just let it roll

Let it go And let it roll Let it go And let it roll Let it go And let it roll
