Keep on pressuring me

To do more and do more  
Don't move on unless you can see that  
I'm all that  
It ain't easy waking up early  
To stay up late  
I know God won't put more  
On me on me  
Than I can take

And I know I know

Yes I know that I  
I must take care of me  
(You better love you say you love yourself first)  
And I've been told that I  
I can't put you above me  
(You better love you better love yourself first)

No I'm not gone keep on mistreating me  
I have decided to love myself  
And no I'm not gon' keep on mistreating me  
I'm not if you don't love you can't love nobody else

I do love you

But sometimes  
I feel (I feel)  
Like this one things so so unfair (so unfair)  
You don't even noticed  
Me when you down so  
I pray everyday you start loving me

Yes I know that I  
I must take care of me  
(You better love you say love yourself first)  
And I been told that I  
Can't put you above  
(You better love you better love yourself first)

No I'm not gone keep on mistreating me

I have decided to love myself  
And no I'm not gone keep on mistreating me  
I'm not if you don't love you can't love nobody else  
(Nobody else.. Nobody else)

(Talking)  
You can't love nobody before you love yourself first  
You gotta love yourself (keep on mistreating me)  
Mind Body and Soul (gotta love yourself)

And I know I know

Yes I know that I  
I must take care of me  
(You better love you say love yourself first)  
And I've been told that I  
I can't put you above me  
(You better love you better love yourself first)

No I'm not gone keep on mistreating me  
I have decided to love myself  
And no I'm not gone keep on mistreating me  
I'm not if you don't love you  
You can't love nobody else!

No I'm not gone keep on mistreating me  
I have decided to love myself  
And no I'm not gone keep on mistreating me  
I'm not if you don't love you can't love nobody else

Break it down now  
Tie it down

Mistreating me.. (No you can't)  
Love yourself..
