Verse 1:

Had things on my mind  
I tried to get by  
Things ain't goin right  
Workin day and night  
Gon' keep on moving on  
Cause a new day gon' come  
Gotta hold on  
Cause it won't be very long

Chorus:

We'll be alright (in the morning) no tears to dry  
(struggle comin)  
Hold your head high (I know) ooh bye and bye (it won't  
be long)  
We'll be alright (in the morning) no tears to dry  
(struggle comin)  
Hold your head high (I know) ooh bye and bye (early  
morning)

Verse 2:

Feels like {?}  
You know that's a crime  
Too much on my side  
Somebody tell me why  
Well my brother stay strong  
Sister hold on  
Cause a new day gon' come  
And it won't be very long

Pre-chorus:

Won't be very long  
It won't be very long  
It won't be very long  
It won't be very long

Chorus (2x)

Bridge:

It won't be long, no  
I said it won't be long

So don't you worry  
Don't worry, worry  
Cause struggle don't last always  
No no no no  
Joy come in the morning

Chorus (2x)
