Oh, we give You praises
For You alone are holy
Jesus, Your name is greater
For You alone are holy
Oh, we give You praises
For You alone are holy
Jesus, Your name is greater
For You alone are holy
We want to see Your victory
All over the earth, all over the earth
Your kingdom come, Your will be done
All over the earth, all over the earth
Hey, Your kingdom come, Your will be done
Oh, glory to Your name
Oh, we give You praises
For You alone are holy
Jesus, Your name is greater
For You alone are holy
We want to see Your victory
All over the earth, all over the earth
Your kingdom come, Your will be done
All over the earth, all over the earth
Your kingdom come, Your will be done
In my life, oh Lord, Your will be done, oh God
Hey, all over the earth, all over the earth
All over the earth Your kingdom come, oh God
All over the earth, all over the earth
All over the earth, everywhere I go, God
All over the earth, all over the earth
All over the earth
Oh, we give You praises
For You alone are holy
Jesus, Your name is greater
For You alone are holy
Oh, we give You praises
For You alone are holy
Jesus, Your name is greater
For You alone are holy
All glory in the highest
All glory in the highest, ooh
Be lifted up, Lord
Be lifted up, Lord

All glory in the highest
All glory in the highest
All glory in the highest, oh
And You are holy
And oh, You are holy, hey
And oh, yeah, all glory in the highest
Oh, all glory in the highest
