Time keeps moving on
Through the sunshine and the storm
And my dreams are set in stone
And someday I'll be who I wanna be

For now I'll wait
For the sun to shine again
And for now I'll wait
For the rain to pass away

And I'm looking for the brighter days
When all my hurts seem to fade away
I'm looking for the brighter days
To come my way

Faces come and faces go
But none seem to look my way
And walls have stood and walls have fallen
But my heart seems to wait

For now I'll sit
At the end of the road
And for now I'll wait
At the end of a pathway, yeah, yeah

See, and I'm looking for the brighter days
When all my hurts seem to fade away
And I'm looking for the brighter days
To come my way

I'll see the sun one day shine upon me
I'll see the sun one day
And watch the nighttime turn to morning
But for now it all comes back around

And I'm looking for the brighter days
When all my hurts seem to fade away
Now I'm looking for the brighter days
To come my way

I'm looking for the brighter days
To come my way
