You gave all You had
I didn't choose You, You chose me first
Even when I turned my back
You still gave Your love, it's the only thing I wanna have

No greater gift
Than a man to lay down his life
How could I miss this?
I'm not about to pass it up

Count me in
I'm amazed this love is for me, Lord
Count me in
I'm amazed this love is for me, Lord

I'm looking at these plans You have
For me they're plans of hope and peace
Much bigger than the ones I have
I tried to follow mine, I was going nowhere fast

Your love makes me
Like a David with a stone and sling
Nothing else could bring
My life so much meaning

Count me in
I'm amazed this love is for me, Lord
Count me in
I'm amazed this love is for me, Lord

I can't believe it
I can't believe it
I can't believe it

Count me in
Come on, You can count me in, yeah
And You can count me in
You can count me in
Come on, come on, come on

You can count me in
Come on, come on

Count me in [Incomprehensible]
Count me in
