God of Ages by Leeland
Hallelujah, hallelujah
Lord Your kingdom reigns forever
And Your word will never fail or pass away
Let Your promise fall upon me
Like the rain falls in the morning
For Your word will never fail or pass away
Your Word it will sustain, Your Word will never change

God of ages
There is healing in the showers of Your love
I'm rejoicing
That I'm cherished, not forgotten, I am Yours
I am Yours

Everlasting, everlasting
You're the end and the beginning
For Your word will never fail or pass away
As I look up to the heavens
I am humbled by Your presence
For Your Word will never fail or pass away
Your Word it will sustain, Your Word will never change

God of ages
There is healing in the showers of Your love
I'm rejoicing
That I'm cherished, not forgotten, I am Yours

I am standing, I am standing
I am standing on Your promise
I am standing
