Here on the bank I stand.
But in the water is the hope of man.
Unclean, I fall before You now.
Jesus, come wash me inside out.

I'm running to the water now.
I'm running to the water now.

And I'm lost in Your love and Your mercy.
Lord, Your beauty is so overwhelming.
I'm thankful for Your truth.
I'm so in love with You.
My Jesus, My Jesus.

Here on the bank I stand.
But in the water is the hope of man.
Unclean, I fall before You now.
Jesus, come wash me inside out.

I'm running to the water now, oh
I'm running to the water now.

And I'm lost in Your love and Your mercy.
Lord, Your beauty is so overwhelming.
I'm thankful for Your truth.
I'm so in love with You.
My Jesus, My Jesus.

(Yeah, yeah)

(Oh)
All things are new again.
Covered in waters of love I stand.
All my chains are broken.

(Oh, Whoa)
All things are new again.
Covered in waters of love I stand.
All my chains are broken.
'Cause I'm washed inside Your ocean.

I'm running to the water now.

(Running to the water now)
I'm running to the water now.

And I'm lost in Your love and Your mercy.
Lord, Your beauty is so overwhelming.
I'm thankful for Your truth.
I'm so in love with You.
My Jesus, My Jesus.

And I'm lost in Your love and Your mercy.
Lord, Your beauty is so overwhelming.
I'm thankful for Your truth.
I'm so in love with You.
My Jesus, Oh, My Jesus.

(Oh)
You make all things new.
You're so good to me Lord (yeah)
(Oh, yeah)
So thankful Lord, so thankful Lord.
(Oh)
I'm new creation, You make all things new oh Lord.
(Yeah)
You are my salvation.
You are just so beautiful.
I'm a new creation, You make all things new. Oh, Lord.

We love You.
We love You.
So in love with You...
