Standing at the gate of love
Waiting for the life of the Son
To follow me 'til I am undone

Oh, you pulled me out of the mud
Up from the miry clay
You washed all my sins away
I've been redeemed

[CHORUS]

I am a new creation
I have been born again

I'm here in the world
But my home is in a heavenly place
Far above the stars out in space
I'm not afraid

Death where is your sting
Hell will never conquer me
A love pure and holy
Has set me free

And I am a new creation
I have been born again
I am a new creation
I have been born again

For behold! The old has passed away!
There's a hole inside of me
And I'll never run away from you!
Anymore, anymore

[CHORUS]

I am a new creation
I have been born again
I am a new creation
I have been born again

The old has passed away and the new has come!

I am a new creation

I have been born again!
