He's coming for a pure bride
He's coming for a pure bride
See Him riding in the skies
See the fire inside His eyes

Through the darkness His light will shine
In His glory, He's lifted high
He's coming for a pure bride

He's coming for a pure bride
He's coming for a pure bride
See Him riding in the skies
See the fire inside His eyes

Through the darkness His light will shine
In His glory, He's lifted high
He's coming for a pure bride

The Lord is coming for His bride
Make way for the Lord
He's clothing all His children in white
Make way for the Lord

The Lord is coming for His bride
Make way for the Lord
He's clothing all His children in white
Make way for the Lord
Make way for the Lord

What are you doing
When no one is watching?
What are you doing?

Children get your hearts right
God's coming for a pure bride
Children get your hearts right
