Great is Your love and Your faithfulness
It's Your faithfulness that carries me
Many times I've run away
Forsook Your love and all Your grace
Still You call out my name
Yeah, You still care that I be saved

And so I'll sing the glories of Your name
Your awesomeness I will proclaim
Until You come, until You come and

Take Your bride away
Like a thief in the night
Like a thief in the night
You'll take us away

And there is no one that can fill this void
Like You fill this void in my heart
My life is just a human one
But You pick me up and call me son
Speak, Lord, I'm listening
Yes, Your child will serve faithfully, yeah

And I'll sing the glories of Your name
Your awesomeness I will proclaim
Until You come, until You come and

Take Your bride away
Like a thief in the night
Oh yeah, like a thief in the night
You'll take us away

Like a thief in the night
Like a thief in the night
Like a thief in the night
No, like a thief in the night

Oh, like a thief in the night
Oh, like a thief in the night
Oh, like a thief in the night
Oh, like a thief in the night
Like a thief in the night

So I'll sing the glories of Your name
Your awesomeness I will proclaim
Until You come, until You come and

Take Your bride away
Like a thief in the night
Oh yeah, like a thief in the night
You'll take us away
