A legend's just begun
By the dawning of the sun
2BA master
Past and yet to come

Gonna leave it all behind
Got one thing on my mind
Button masher
Faster till I've won

Guitar Hero Hero
Everything we're fighting for
Guitar Hero Hero
The only thing I want is moar
Guitar Hero Hero
It's who I wanna be
Guitar Hero Hero
I know that it's my destiny

The battle lines are drawn
From Walpole, Mass. to Guam
I'll be alright
If I can score a ride from mom

Played through the mindless games
Through the Fire and Flames
Gonna shock the world I'll
Rock before I'm done (Believe it!)

Guitar Hero Hero
Everything we're fighting for
Guitar Hero Hero
The only thing I want is moar
Guitar Hero Hero
It's who I wanna be
Guitar Hero Hero
I know that it's my destiny

Guitar Hero Hero
Everything we're fighting for
Guitar Hero Hero
The only thing I want is moar

Guitar Hero Hero
It's who I wanna be
Guitar Hero Hero
I know that it's my destiny

Guitar Hero Hero
Everything we're fighting for
Guitar Hero Hero
The only thing I want is moar
Guitar Hero Hero
It's who I wanna be
Guitar Hero Hero
I know that it's my destiny
