Time to put this on the shelf  
Back where I was all of a sudden  
Time to log off be myself  
Like someone hit the reset button

Until we load another scene  
We'll still have episode 16

We're in another time  
We're from another age  
We'll dub another line  
We'll beat another stage  
Let's write another rhyme  
Let's turn another page  
Ever since you're gone  
Everything has changed

You made my hair spike up on end  
Your giant eyes evoked strong feelings  
I wonder was it all pretend  
Resolution to this series

Until we load another scene  
We'll still have episode 16

We're in another time  
We're from another age  
We'll dub another line  
We'll beat another stage  
Let's write another rhyme  
Let's turn another page  
Ever since you're gone  
Everything has changed

We're still the same  
I'll download the expansion pack  
I'll see you in the sequel  
Cuz baby I still want you back

We're in another time  
We're from another age

We'll dub another line  
We'll beat another stage  
Let's write another rhyme  
Let's turn another page  
Ever since you're gone  
Everything has changed
