Hadouken!

There's a Ninja Gaiden me
Inside of me to victory
Like big bankai to me
It's tied to me, it's destiny

Now there's nothing left for me to fear
Gonna hold you in "get over here!"

It all comes down to your skill, get up or retire
Power level over nine thousand, getting higher
Bleed epic win, this Penny Arcade fire
I'm a Dream Machine lover and a LeetStreet Fighter

There's a villain chiding me
Conniving me, testing me
Killer Instinct driving me
Surviving me, my legacy

Got a God of War mentality
A Final Fight fatality

It all comes down to your skill, get up or retire
Power level over nine thousand, getting higher
Bleed epic win, this Penny Arcade fire
I'm a Dream Machine lover and a LeetStreet

There's no draggin' me down
No Double Dragon me down
There's no draggin' me down
No Double Dragon me down, no Tekken me out

No draggin' me down
No Double Dragon me down
No draggin' me down
No Double Dragon me down, no Tekken me out

It all comes down to your skill, get up or retire
Power level over nine thousand, getting higher
Bleed epic win, this Penny Arcade fire

I'm a Dream Machine lover and a LeetStreet Fighter

Y'all lost the game
