a child
is standing all alone
with empty eyes and a bleeding soul
but now there's no
there's no more evil there
a deadly cold dark demon broke the spell

no more pain
no more shame

he's searching for
that hidden sanctuary
it's hard to find his other personality
he runs so fast
to catch up with reality
but will he run faster than insanity

no more pain
no more shame

bloodred is the earth
bloodred is the sky
bloodred is the time

when a child shall die

he bites the demons barrel
and the demon bites him back
the fire power rips his brain through the
back of his head
abused
by those who gave him life
but nevermore shall they breath
never shall they die

no more pain
no more shame

bloodred is the earth
bloodred is the sky
bloodred is the time
when a child shall die

silent is the earth
silent is the sky
silent is the time
when a child shall die
